The following release is required if a medical condition is present or occurs which requires equipment, medication, or specialized treatments:

I agree that DCO may contact the physician(s) in regard to the specified diagnosis/condition, significant illness, very high temperature, or critical injury.

I agree that Program staff may contact the physician of record for current Medical/medication orders.

I agree to provide the equipment indicated by my physician.

I understand that the DCO Program is licensed/accredited, but may not be able to meet the specific needs of my son/daughter/ward. And as such, the enrollment is on a trial basis (typically two weeks) You will receive daily notes indicating positive comments as well as concerns. At the end of the trial period a meeting will be held to discuss continued enrollment.

I understand that if the condition or treatment increases or reaches a level which cannot be provided in a group environment, I will be notified and discharge plans made.

Reminder Note: If an individual becomes ill such as temperature, vomiting, diarrhea, or is obviously ill, they may not attend. If already present, the family, guardian, or designated individual will be contacted to pick them up as soon as possible.
